

# Waiting for Adobe

Jennifer & Soren Bjornstad

Wait-ing for Ad-o-be, I can't get my work done. Sit-ting here just star-ing in-to  
space ain't no fun. Waiting for Ado-be, I'm tapping my feet, I'm rolling, rolling, rolling round in  
my rol-ly - seat. Wait -ing, wait -ing, wait-ing, wait-ing, Wait -ing, wait -ing,  
wait-ing, wait-ing! Wait -ing for Ad-o-be, it makes me groan and sigh. If it  
takes an - y longer I will break down and cry. Wait-ing for Ado-be, for some P D F, I  
think I hate it even worse than that Blue Screen of Death. Waiting, waiting, waiting, waiting,  
Wait-ing, wait-ing, wait-ing, wait-ing! Wait-ing for Ado-be, each sec-ond is an hour. I  
think I might need to call up - on some high-er power. Wait-ing for Ad-o-be, why  
does it take so long? Be-fore this fi-le down-loads I'll be long, long, long gone.  
Wait-ing, wait-ing, wait-ing, wait-ing, Wait-ing, wait-ing, wait-ing, wait-ing!  
Wait-ing, wait-ing, wait-ing, wait-ing, Wait-ing, wait-ing, wait-ing, wait-ing!
